Re: New Policy for Submitting Private Duty Nurse Expenses to CSNCE

Secretary

Dear Caregiver,

Wendy Bryden

We recognize that Private Duty Nurses may be providing care for patients who are not residing in a Christian Science Nursing Facility. Accordingly we have updated our policy and procedures for submitting nursing care-related expenses to the Christian Science Nursing Care Endowment (CSNCE) for consideration for reimbursement for such patients. Attached is a submittal form for this purpose.

Ann Fritsch

Sandy Haase, C.S.

Eve Kilger

Support for nursing care provided to patients is considered on a per patient basis. CSNCE limits benefits to \$15,000 for each patient regardless of the facilities entered or nurses who provided care. Only expenses directly related to nursing care are considered.

ADVISORY COMMITTEE

Personal financial concerns of nurses providing care do not weigh in to considerations for benefits. The attached form should be used to submit all expenses related to private nursing care that you or the patient desire to be submitted for consideration. Completed forms, with receipts for supplies purchased attached, should be mailed to:

Janice Elmore
